NUS ANNUAL GIVING

WHAT IS ANNUAL GIVING?

It is the yearly appeal of the National University of Singapore (NUS) to seek the support of all alumni, staff, faculty and friends for student bursaries and scholarships. The campaign runs from 1 April to 31 March. Annual Giving (AG) was inaugurated in 2005, the year that the University first resolved to give a bursary to every qualified student in financial need.

Your gift will:

- Provide bursaries / scholarships to eligible students
- Help NUS to remain one of the best universities in the world by attracting the best students
- Inspire others to follow your example
- Have a double impact as each gift is matched dollar for dollar by the Singapore Government
- Attract a double-tax deduction

AREAS OF SUPPORT

By making a gift towards Annual Giving, you help our students achieve their full potential and realise their dreams. Funds raised through this campaign help to provide bursaries to ensure that no deserving student who is admitted to NUS is denied an education because of financial difficulty. Annual Giving also supports merit-based scholarships to reward academic excellence and encourage our students to be the best that they can be.

• Bursaries

Eligible undergraduate students who apply for financial assistance will be offered bursaries if they are assessed to be needy. Bursaries that are administered on a university-wide basis are handled by the Student Financial Aid Unit set up within the Registrar's Office.

• Scholarships

Scholarships are awarded to current and prospective students with outstanding academic achievements and potential. University-wide scholarships are also administered by the Student Financial Aid Unit within the Registrar's Office.
